

Re-Certification Contract and CDH Form Instructions

The CISEC, Inc. Board of Directors have instituted a policy change that affects the renewals and re-certifications. The contract cycle is yearly instead of every three years, effective **September 30th, 2017**. To stay active, your renewal payment, CDHs, and Re-Certification Contract must be submitted every September 30th.

***Please note that all CAN-CISEC registrants who are under a 3-year contract have the option to continue to fulfill that obligation with all applicable requirements as specified in their documents. However, once a 3-year contract has expired, registrants will use the guidelines listed below.*

Included in the renewal packet is the payment fee form, the CDH submission form and a re-certification contract that is to be signed and submitted to CISEC, Inc. with your renewal payment and CDHs.

You are required to accumulate a minimum of 12 continuing development hours (CDHs) over the next year. CDHs can be earned from a variety of sources. How to earn CDHs is on the accompanying form and additional information on qualifying activities can be found at www.cisecinc.org.

This form must be used to record your CDHs and must be submitted each year with your membership renewal fees and Re-Certification Contract. Contracts will not be renewed if you do not meet the CDH requirements as well as being current with your renewal fees. Please use the following instructions when filling out the CDH form:

1. You must completely fill out the top of the form with your **name, address, telephone, email, CAN-CISEC number, and for what registration year you are claiming the CDH credits.** If you complete the renewal payment form prior to the CDH form, the above information will automatically be entered. **IF THIS INFORMATION IS NOT COMPLETE OR NOT LEGIBLE, YOUR RENEWAL WILL NOT BE PROCESSED AND MAY RESULT IN LATE FEES.**
2. Remember that your registration cycle starts on October 1st and ends on September 30th of the following year. Please note that the 12 month cycle does not start on January 1st for your CAN-CISEC registration.
3. Please include documentation (e.g., receipts, certificates, etc.) for forums you attended. If documentation does not exist or cannot be found, please include the date and where you attended the forum as well as the total number of CDH hours you are claiming for each event.
4. You cannot claim credit for hours accumulated prior to becoming a CAN-CISEC registrant. For example, the CAN-CISEC training modules, if taken prior to you becoming a CAN-CISEC, will not count toward CDHs.
5. **All forms must be filled out completely and submitted together. If any information is missing, it could result in a delay being processed and you could possibly incur late fees.**

These forms can be filled out using your computer
